a. 2024 Northeast Golf Show!

I partnered with the show this year to launch its first ever Women's Learning Center and Women's Golf Day. I developed and taught various programs for all level golfers and brought in incredible speakers to give various perspectives.

It was wonderful to see it all come together for a very welcoming, interactive, educational and fun area and programming! I saw many of you there and I hope you had a fantastic time!

There were also interactive games that were a hit and we'll announce here who won the 'Guess how many tees' contest! You can view information on the other speakers here as well.

Congratulations to **Gianni Doumato** on winning the tee guessing game. She was only 8 tees off! There were **1,992 TEES** in the jar and she guessed 2,000. Gianni wins the following:

- Private golf lesson with [Naomi Nesenoff, PGA](#) at [Shining Rock Golf Club](#)
- Private session with [Kathy Ekdahl, CSCS, TPI L2](#) at her Studio
- 18 Hole Round of Golf at [Shining Rock Golf Club](#)
- Women's Golf Shirt and Pullover from [Shining Rock Golf Club](#)
- TaylorMade Golf Balls
- Ball Marker Bracelet and Stroke Counter Bracelet made by 'Naomi by Design'

b. LPGA Amateur Association – Rhode Island Chapter Kickoff

At the LPGA Amateur Golf Association – Rhode Island Chapter Kick Off event last weekend I gave a keynote speech on aspects of the mental game with round preparation, pace of play, and goals with expectations for the season. It was a wonderful group with lots of positive crowd reaction!

Are you looking for something like this at your club, group, or organization? This is one of many additional programming that I offer and will be providing this year. (link [HERE](#))

I look forward to continuing to work with many of you that are already in the LPGA Amateur Association in various chapters in New England. I also encourage anyone interested to check out your local chapter by going [HERE](#).

At the event, I was very honored to have been given the gift of membership for connecting girls and women in the golf community and for promoting their chapter and organization. It's something I truly love to do and it was very special to receive that honor.

I look forward to connecting with you this golf season!
