Learn or relearn the game as we grow your unique swing. Feel ready to go out and play a round of golf by the end of the clinic series with new friends!

### *Stage 2*

Progress through weekly simplified swing topics as well as learn course management, the mental game, reading greens, and even how to correct your swing on your own on the course!

### *Stage 3*

**Take your game to the next level!**  
Focus on swing dynamics and strategic course management, two critical components of lowering your scores and building consistency. Learn precision shots to become more confident.
